6 WEEKS OF FUN
+ 5 DAYS A WEEK

A WHOLE SUMMER'S
WORTH OF FUN

“Vacation at the Park” is for children 4–9 years of age. Each week we will have paid program from COSI, Boonshoft and Brukner. Miami County Soil & Water Conservation District, Miami County Public Health and Miami County Parks Department through their public education programs will bring a variety of information pertaining to the subject of the week. We also have many guests that come and share their knowledge with the campers.

Roundhouse at the Tipp City Park
\$40 resident/ \$55 nonresident per week
Mon.–Fri., 9 am–12 noon

MONDAY–FRIDAY!

Set Sail for City Park Island. Ahoy mateys, climb aboard the ship Green Umbrella and set sail with the scurviest sea

dogs around. Sail to parts unknown, stop at a deserted island, search for sunken ships and dig for lost treasure. This adventure is not for landlubbers or the faint of heart.

June 19–23, YP-01

Water, water, everywhere. This is the wettest week of the summer! Come splash, drip and spray with water balloons,

water gun wars and wet challenges. No one will go home dry this week including the camp counselors. Slather on the sunscreen, bring your towel and your sense of fun.

July 17–21, YP-04

Dr. Chaos is Back. Beware, the Mad Scientist is back and the Roundhouse Lab will be glowing green.

Strange objects will fly through the air and smoke billow from the chimney. Watch out for the goo, slime, slop and gunk. Would-be-scientists will get to mix concoctions and blast off rockets. Green shirt lab techs will make sure everyone gets a big dose of fun.

June 26–June 30, YP-02

Animal Tales.

The green shirt zoologists, with help from Brukner and COSI, will have

you meeting and touching live animals. Explore the science of animal tracking and get up close and personal with some animal tracks. Learn some interesting facts about unusual animals.

July 24–28, YP-05

Outdoor Explorers. Find out what insects and bugs live in the wilds of Tipp City Park. What do they eat and

how do they fit into the habitat. Study local flora and discover facts about the environment while playing, hiking games and scavenger hunts. Put on your hiking boots and leave no stone unturned as you trek through this adventure.

July 10–14, YP-03

How did you get here? Campers will “travel” by land, by water and through the air. Whether cruising through town, “riding” in a hot air balloon or “canoeing” down the

river, no jet fuel, coal or gasoline is required, just your imagination.

July 31–Aug. 4, YP-06
